

RED CROWN GASOLINE

Be fair to your automobile, motor truck or motor boat. Fill the tank with **Red Crown** and note the improvement, feel the vim and snap the engine develops, and note the clean sustained flow of power.

Red Crown is the only gasoline made expressly for use in motor driven vehicles. It is absolutely uniform, carries a greater number of heat units per gallon (which means speed, power, mileage).

Made in the world's greatest refinery under direction of the most skillful refiners.
